

	List careers (not job postings!) that match your <i>degree</i> in this column:	Make notes here on how well the job fits your <i>degree</i> – and why. What skills, knowledge, experience, and traits are relevant?
LinkedIn, Xing <i>(or other professional social network sites)</i>		
Uni Department Website <i>(your university or other universities - for example, a university well-known in your field - in the country in which you will be applying)</i>		
Berufenet <i>(or other government websites)</i>		
Google <i>(note what websites or resources you find)</i>		
Job Search/Job Boards <i>(indeed, stepstone, bund.de, glassdoor, idealist, jobs.de, monster.de)</i>
